
Face In The Rain - Be Bop Deluxe

Tabbed by: twilightcapers

Tuning: EADGBE

| h hammer-on
| p pull-off
| x Mute note
| G/B chord/bass note

A bit obscure this one - it was available on vinyl on the album Best Of/Rest Of Be Bop Deluxe, not sure if you can get it on CD anymore. I had to use a Youtube video for reference.

You will have to use your thumb to hold the bass note of the 'Fadd9' chords near the end.

Intro: Acoustic guitar...
