Lyrics:

Piano keys don't please me
 They're so dark and it's so easy to forgive them
 And violins still scream
 From every room you've ever passed your presence through

But if you hang 'round here much longer
 You'll go crazy with the wonder of it all
 For love with the madman is a sad affair
 A long, long way to fall

My orchestras have waited
 They've been baited by the baton you conducted
 And every beat's a heartbeat
 In this symphony of trouble and confusion

But if you hang 'round here much longer
 You'll go crazy with the wonder of it all
 For love with the madman is a sad affair
 Because...
