The Bird Charmers Destiny - Be Bop Deluxe  
-----

Tabbed by: twilightcapers

Tuning: EADGBE

A short but sweet number from the Modern Music album, definitely a Piano song but I have tried to tab it anyway.

I've added a 'guitar friendly key' version at the end.

Intro: Piano arranged for guitar...

Alternatively, I've transposed it to a guitar friendly key, you could use a capo on the first fret to preserve the original key.
