Repeat and fade out...

With new precision the golden days return  
 The lover's prison, the kingdom of the worm  
 Driving through empty towns, pass me a cigarette  
 I think that it could rain, in time we all forget.

Your tape-recorder-heart spins through a hundred feelings  
 The program for tonight to send my senses reeling  
 Beyond the final portal, behind the iron gates  
 Our lady of illusion, the guardian demon waits, she waits.

Beware the falling ones, don't look into their eyes  
 See what tomorrow brings, a hint of genocide  
 This is the last resort, the world is closing down  
 Now is the dying season, let's walk into the sea  
 Let's walk into the sea  
 Let's walk into the sea  
 Let's walk into the sea  
 Let's walk into the sea  
 Let's walk into the sea.

Words and music by Bill Nelson.
