
Lacuna - Bill Nelson

Tabbed by: twilightcapers

Tuning: EADGBE

| * = Natural Harmonic
| (00:31) = time marker
| n = play behind nut (between nut and tuners)
| < = string scrape

From the beautiful Rosewood album, a minimalist experimental acoustic piece. The music theory rule book has been kinda thrown away here, so chord names may be irrelevant. It's either lots of complex chords or just variations on two chords depending how you look at it! The tempo is also fluid throughout to let the music breathe.

Classic Nelsonisms aplenty here - diminished chord fragments, open strings, repeating symmetrical patterns and natural harmonics - complete with surprising arrangements.
